# Brand Values

**Mobidictum** is a global game news and events platform. Founded in 2015 to help mobile game developers with marketing activities, Mobidictum now continues to do this mission by creating content, spreading the news about companies, and hosting local and global events.

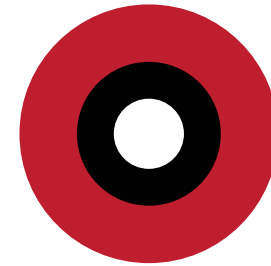

**Mobidictum** is the gateway of the Turkish gaming market opening to the world. Our mission is to grow the game development scene in Turkey and further strengthen the industry by bringing communities together.

## Logo Variations

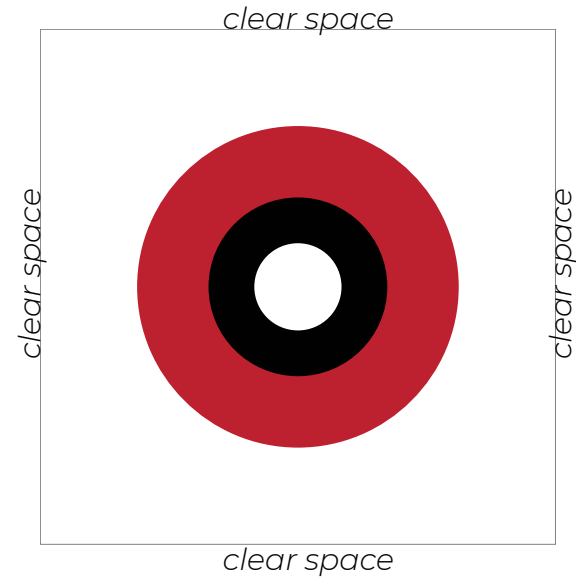

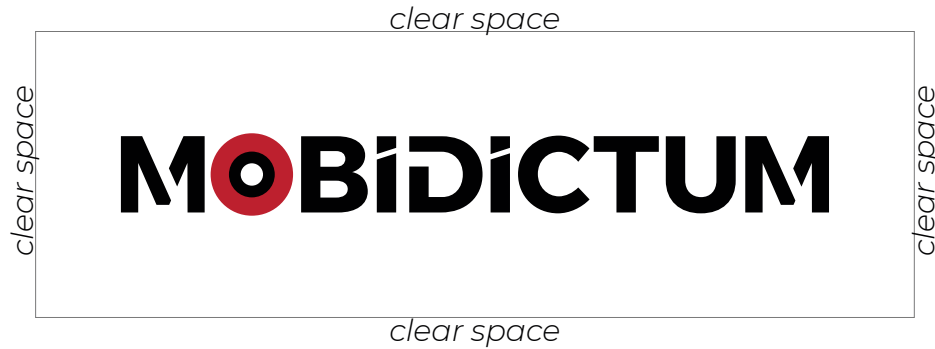

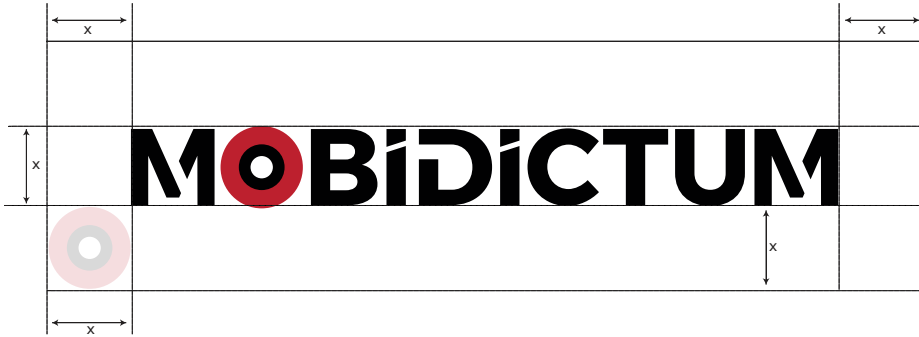

The horizontal logo variation of the Mobidictum brand. It features the word "MOBIDICTUM" in a bold, black, sans-serif typeface. The letter "O" is replaced by a red circle with a black dot in the center, creating a bullseye effect. The entire logo is positioned on the left side of a horizontal red line that spans the width of the slide.
